

NEW FOR 2009

IMPROVED DESIGNS | NEW FEATURES

REARSETS

Improvements have been made to our current design for better comfort, crash prevention & protection.

Available for: 09 Kawasaki ZX-6R, 09 Suzuki GSXR1000 & 09 Yamaha R1

COMFORT

- Rubber Toe Peg for rider comfort and grip.
- 1/2 inch position adjustment for different foot sizes.

IMPROVED DESIGN

- Brake & shift levers are mounted independently from the foot peg to help prevent binding in the event of a crash.

PROTECTION

- All new Folding toe pegs for crash protection.

FRAME SLIDERS

Save your plastics! Non Cut Style Frame Slider are now available for the 2009 Models.

Available for: 09 Kawasaki ZX-6R, 09 Suzuki GSXR1000 & 09 Yamaha R1

CUT STYLE

- Bolts directly to the bike for better protection to the engine and frame.

NON CUT STYLE

- Designed to relocate and attach the Frame Slider Pucks without cutting the fairing.

SPOOL SLIDERS

All New for 2009 - Vortex Spool Sliders help protect the swingarm in the event of a crash.

Available for: All Bike Models

NEW PRODUCT

- Our spool sliders not only provide a steadier hold on the rear stand but help protect the swingarm in the event of a crash

CASE COVERS

For ultimate bike protection Vortex now offers Stator Covers for the 2009 models.

Available for: 09 Suzuki GSXR1000

STATOR COVER

- CNC-machined from solid billet, Stator covers are not only tough but add increased safety as well.

CLUTCH COVER

- Offer the highest level of crash protection while still lightweight.
